## Guidelines for Using Materials in Archives and Special Collections

**Access:** Materials are available to all patrons subject to the following rules and procedures. Use of archival, manuscript, pictorial, audio-visual, three-dimensional objects, and other unpublished materials may be subject to additional restrictions.

**Citation:** Please use the following format for citing published or unpublished materials held by Archives and Special Collections.

**Courtesy of the [Collection Name and/or Item Description, Box or Folder Number, Accession Number], Jack Bitner Library and Research Center, Mount Gretna Area Historical Society.**

**Copyright and Reproductions:** Permission must be requested from staff for any type of photography, copying or reproduction services. Reproduction of certain materials may be prohibited because of restrictions imposed by donors, the physical condition, value of materials, or copyright status.

### WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

**Handling:** Please handle materials with care and leave them in the same order and condition in which they were provided to you. **USE ONLY PENCILS FOR TAKING NOTES.** Do not trace, mark or draw on materials in any way. Do not take notes directly on materials and do not rest books or other objects on the face or surface of items used. Handle loose sheets or book pages by their edges; avoid touching the surface with your hands. Gloves, which will be provided, must be worn at all times when handling photographs. No adhesives, including post-it notes, may be used on any materials, including photographs. All materials must be kept flat on tables at all times. Foam book supports and book weights are available to gently hold open tightly bound books or those in fragile condition.

**Personal Property:** Patrons must place any personal property such as coats, purses, backpacks, briefcases, cell phones, computer cases, notebooks, pens, and books in provided storage space. Mount Gretna Area Historical Society is not responsible for any lost or stolen items. **PAPER AND PENCILS, OR A LAPTOP/TABLET, ARE ALLOWED IN THE LIBRARY AND RESEARCH CENTER AND MAY BE INSPECTED UPON LEAVING.**

**Restrictions:** Eating and drinking are not permitted in the Library and Research Center. Please be courteous of other researchers and turn off or silence your cell phone while in the Library and Research Center.

*I have read the "Guidelines for Using Materials in Jack Bitner Library and Research Center" above and agree to abide by them.*
