

2024 Docents Greeting to Museum Visitors

*If there's a greeter, these first three points
are to be covered by the greeter*

- ◆ Welcome to the Mount Gretna Area Historical Society Museum!
 - ◆ We hope you signed in as you entered. Masks and hand sanitizer are available but not required.
 - ◆ This original Mt. Gretna cottage, built in the early 1890's, consisted of a living room and dining room downstairs and bedrooms upstairs. There was no kitchen or bathroom.
-
- ◆ The Museum is laid out with the showcases arranged in chronological order to help you get an idea of the development and history of Mount Gretna.
 - ◆ We do not charge any admission fees and the Museum and all other Historical Society projects survive solely on the generosity of our members and visitors. So any donation is more than welcome. Also consider becoming a member; forms are available here.
 - ◆ If you or others are interested in researching your cottage or researching other Mt. Gretna area information, you are invited to use the Research Center downstairs by appointment.
 - ◆ If you have any questions, please don't hesitate to ask me. Enjoy your visit!

FYI

In 2008, the Mount Gretna Area Historical Society, which was created in 2004, opened this cottage as its headquarters. Named the **Anne Brossman Sweigart Center for History**, the headquarters is comprised of the **Thomas & Joyce Ebright Museum** on the upper two levels and the **Jack Bitner Library Research Center** in the basement level added to the original building.
